Product Awards

Customer Interaction Solutions Magazine

Call Manager for IPedge® 2012 CRM Excellence Award
Call Manager for IPedge received this award for its ability to streamline and facilitate the flow of information needed for companies to retain customers; thereby enhancing business processes.

Internet Telephony Magazine

Call Manager for IPedge 2011 UC Product of the Year Award
Call Manager for IPedge received this award for its quality and excellence and for addressing real needs in the marketplace.

Internet Telephony Magazine

IPedge 2011 Product of the Year Award
This award is given to the most innovative telephony products for 2011. Winning companies demonstrated the vision, leadership, and thoroughness associated with the Product of the Year award.

Internet Telephony Magazine

IPedge 2011 Excellence Award
This award is based on the product features and a case study showing the benefits of the product in a real-life customer setting. The case study was about IPedge at Toshiba America Information Systems' corporate office (used by its 800+ users).

Customer Interaction Solutions Magazine

Call Manager for IPedge 2011 TMC Labs Innovation Award
Honors products that demonstrate innovation, unique features and have made significant contributions in communications technology.

TMC Customer Interaction Solutions
